

REGULAR EXPRESSION CHEAT SHEET

Special characters

| | | | |
|-----------------------------|----|-----------------------|---|
| square bracket | [| question mark | ? |
| backslash | \ | asterisk or star | * |
| caret | ^ | plus sign | + |
| dollar sign | \$ | opening round bracket | (|
| period or dot | . | closing round bracket |) |
| vertical bar or pipe symbol | | opening curly bracket | { |

Shorthand character classes

| | | | |
|----------------|----|----------------------|----|
| digit | \d | not a digit | \D |
| word character | \w | not a word character | \W |
| whitespace | \s | not a whitespace | \S |

Lookaround

| | | | |
|---------------------|---------------|---------------------|---------------|
| positive lookahead | \[\(?=\[\] | negative lookahead | \[\(?!\[\] |
| positive lookbehind | \[\(?<=\[\]\] | negative lookbehind | \[\(?<!\[\]\] |

Non-printable characters

| | |
|-------------------|----------|
| tab | \t |
| carriage return | \r |
| line feed | \n |
| beginning of line | ^ |
| end of line | \$ |
| word boundary | \b |
| unicode character | \x{0000} |

Alternation

| | |
|-----------|--------|
| either/or | \[\ \] |
|-----------|--------|

Grouping

| | |
|------------------------|------------------|
| For capture and counts | \[\(\]\] |
| Non-capturing | \[\(\?\]\] |
| Named captures | \[\(\?<name>\]\] |

Back references

| | |
|----------------|--------------|
| Numbered | \[\]\] |
| Complete match | \[\]\0 |
| Named | \[\]\(P=\]\] |

Quantifiers

| | |
|--------------------------------------|-------------|
| once or not at all | \[\]\? |
| zero or more times | \[\]* |
| one or more times | \[\]\+ |
| exactly n times | \[\]\{n\} |
| at least n times | \[\]\{n,\} |
| at least n but not more than m times | \[\]\{n,m\} |

Character classes

| | |
|--|--------------|
| almost any character (usually not newline) | \[\]\. |
| lists and ranges of characters | \[\]\[\]\] |
| any character except those listed | \[\]\[\^\]\] |
